SEASONAL REMINDERS

WINTER PARKING ENDS APRIL 1

Backyard Fires

Burn only clean, dry wood; no treated lumber, leaves, trash, furniture, etc.

The base of the fire cannot be wider than three feet in diameter, flames cannot be higher than two feet.

Fire to be contained in a fire ring of noncombustible material and located at least 25 feet from any structure.

Water source must be close at hand.

Someone must tend to the fire until it is extinguished.

Fire must not produce smoke that causes discomfort or a negative impact to neighboring properties. Anyone experiencing discomfort or negative impact due to a fire in the neighborhood is asked to call 911.

Branches/Brush Disposal

From mid-April to October, residents may dispose of brush and branches (under 8 inches in diameter), for a nominal fee, at Public Works, 1900 Hadley, during the hours of 7:30 AM and 3 PM, Monday through Friday.

Feeding Wildlife

Please remember that the feeding of wildlife (like deer) or water fowl (like geese) is not allowed in the city and that bird feeders need to be at least five feet above the ground or structure, such as a deck.

Hydrant Flushing

Typically in early May, all the hydrants throughout the City are flushed to clear out impurities, particularly iron deposits, that build up over the winter months. The flushing process may create a temporary interruption to your water service and/or discolor the water coming out of your faucet. In the case of discolored water, run the cold water for a few minutes.

Mailbox or Sod Damage

Properly installed mailboxes accidentally toppled by the blade of a snow plow will be replaced by Public Works as soon as time allows. If preferred, a new mailbox can be provided to the property owner to install. Please call 651-730-2740.

If a snow plow caused sod damage, you can choose whether to have the city provide you with sod for you to

place in the damaged area or the city will repair the area with topsoil and seed. Please call 651-730-2740.

Parking by Mailboxes

To allow for the unobstructed delivery, vehicles must park at least 10 feet away from either side of all mailboxes between the hours of 8 AM and 6 PM, Monday-Saturday.

Storm Sewers

Only melted snow, sump pump discharge, and rain should enter the storm drain in your neighborhood. Yard waste (leaves, grass clippings), automotive fluids, and pet waste entering storm drains flow to our lakes, rivers, and, wetlands and is a major source of pollution.

Sump Pumps

Please route the hose outside to the street, storm sewer, or wetland. The flow that enters the sanitary sewer system through toilets, wash tubs, and floor drains is sent to the treatment plant in Saint Paul. The flow is metered and Oakdale and its utility customers, like you, are charged for additional flow. Having a sump pump discharge into the toilets, wash tubs, or floor drains in your home is illegal.

Watering Lawns and Gardens

Oakdale operates under a year round, odd-even watering schedule: even numbered addresses can water on even numbered days and odd numbered addresses on odd numbered days.

Wetland Protection

Please keep grass clippings, leaves, and animal excrement away from areas adjacent to wetlands. Also please remember to not cut or mow the natural growth around wetlands as it acts as a filter to reduce or eliminate harmful sediments from entering the water and creating algae - and geese don't like it!

Winter Parking

Oakdale's winter parking ends April 1. Parking rules are: vehicles may not park on city streets from midnight to 5 AM - or anytime snow accumulation equals or exceeds two inches until the street is plowed.

ADOPT A STORM DRAIN

Looking for an easy – and very important – way help Minnesota's lakes, rivers, and wetlands be cleaner and healthier?

Consider the Adopt-a-Drain program. Volunteer an average of only 30 minutes a month tending to a storm drain in your neighborhood to remove leaves, grass, trash, pet waste, fertilizer, and other debris. Report estimated amounts collected.

Learn more at: Adopt-a-Drain.org.

WAY TO GO MINNESOTA!

9,000+ Adoptees!

16,000+ Drains Adopted!

410,000+ pounds of debris kept out of storm sewers!

HIGHWAY 36 ROAD RESURFACING PROJECT

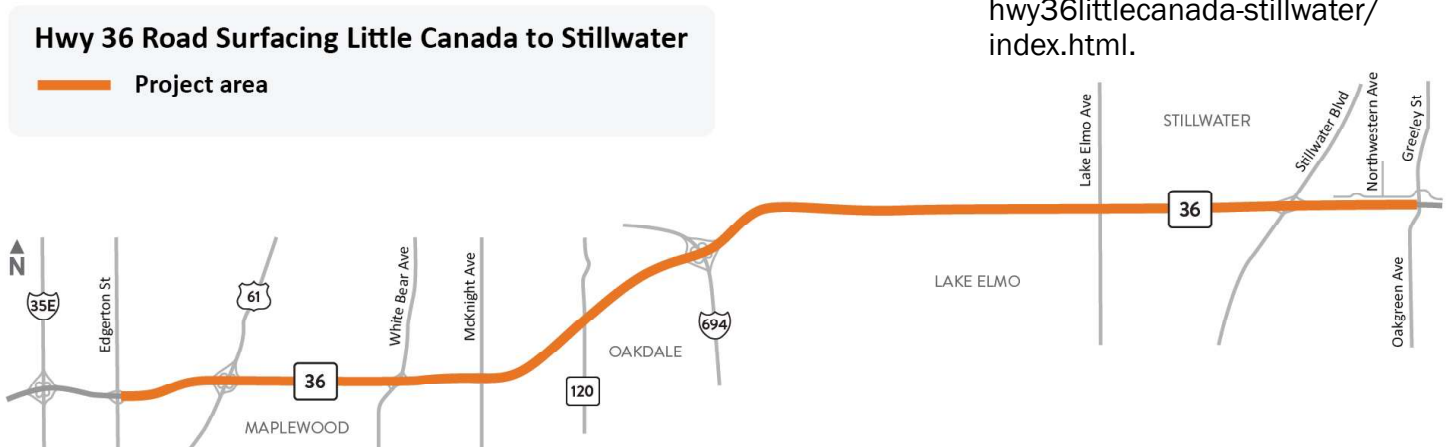

This spring, the Minnesota Department of Transportation (MnDOT) will begin a road resurfacing project on Highway 36 between Edgerton Street in Ramsey County and Greeley Street in Washington County. The construction covers a 12-mile stretch of Highway 36 and will impact traffic in the cities of Lake Elmo, Little Canada, Maplewood, North Saint Paul, Oak Park Heights, Oakdale, Pine Springs, and Stillwater.

The project will include resurfacing existing pavement, improving pedestrian accessibility, and updating the drainage system under the roadway. Motorists can expect weekend directional closures with detours, single lane traffic, lane closures, and flagging in specific locations.

MnDOT realizes the project will create some inconveniences for businesses, customers and

other members of the public, and motorists traveling on Highway 36 and will try to minimize traffic impacts as much as possible. Once the project has been completed in late fall 2022, motorists traveling on that portion of Highway 36 will experience a smoother ride quality, better pedestrian accessibility, and improved drainage.

Sign up for traffic alerts and learn more about the project at: www.dot.state.mn.us/metro/projects/hwy36littlecanada-stillwater/index.html.

LANDSCAPING RECOGNITION PROGRAM CONTINUES TO GROW

The city's Acorn Award program recognizes properties in the community with great curb appeal. Whether it's colorful flowers, perfectly shaped greenery, or fun garden accents, the Acorn Award Committee invites you to submit nominations, *even for your own yard!*

The Acorn Award Committee visits nominated properties and selects a winner in each of the following categories: Residential, Public (churches, schools, government), and Commercial/Business. Winning properties are recognized by the City Council, acknowledged on social media, and mentioned in the *Oakdale Update* newsletter. Winners receive an award and a garden center gift card; plus the city will display an Acorn Award sign at the winning properties for a few weeks!

There's also a new "Kid's Garden" category for kids ages 12 and under. For this category, submit name, address, telephone number of parent or guardian, up to five photos of your garden (any type, any size) and an essay (50 words or less) titled "Why I Love to Garden" by June 10.

How can you help? Nominate, nominate, nominate - as many properties as you want, *even your own*, by June 10. All nominated properties need to be visible from a public street. Details and nomination form at www.ci.oakdale.mn.us/651/Acorn-Award. And thank you!

FIVE THINGS TO KNOW

Following the trend of some other communities, the City Council has removed the requirement for dogs and cats to have a city-issued license.

1

Dogs and cats do still need to have an ID tag on their collar displaying their owner's contact information so they can be easily reunited.

2

Need to renew your drivers license or buy tabs? Although there is not a license center in Oakdale, there are two conveniently located close by:

Woodbury License Center
2150 Radio Drive - 651-275-7000

Maplewood License Center
1830 County Road B East - 651-249-2000

4

Adopt-a-park, board or commission member, election judge, food shelf, planting; these are just a few of the ways you can serve your community as a volunteer!

Go to www.ci.oakdale.mn.us and search "Volunteer" to learn about the many opportunities that await you. Or call 651-739-5086 and chat with Teresa.

The City Council has taken action to allow Utility Task Vehicles (UTVs) to drive on local city streets.

Before hitting the road, owners need to apply for a permit, in person, at City Hall, 1584 Hadley Avenue. Owners will be provided with a map showing where they may travel on their UTV and a window decal.

There is no fee for the annual permit.

3

5

With everything you have going on in your life, wouldn't you like to save time, postage, paper, and fuel by having your quarterly water and sewer bill automatically paid from your checking or savings account?

Simply put "Payment Center" into the search bar at www.ci.oakdale.mn.us; print, complete, and submit the Auto Pay form to the city. There is no extra charge for this service, plus you'll continue to receive a mailed copy of your bill! It's a win, win, win, win!

Of course, your other options for paying your utility bill: by mail or dropping your payment off at City Hall continue to be available.

Customers choosing to pay by phone should now call 1-877-885-7968 for account information or to make a payment.

OAKDALE DISCOVERY CENTER AND NATURE PRESERVE

The Oakdale Discovery Center is nestled within the wooded and scenic 200-acre Oakdale Nature Preserve and offers rotating art exhibits, aquarium, wildlife exhibits, book and movie exchange, facility rental, and a fireplace with cozy seating. Nearby, discover a historic one-room schoolhouse, plenty of trails, forest garden, floating boardwalk over Mud Lake, and fitness stations.

NORDIC WALKING POLES

Turn your ordinary walk into a total body exercise that delivers far more motivating results and makes walking more fun with Nordic Walking poles! Poles, resembling ski poles, are used to involve the upper extremities when you walk, toning and firming every major muscle at the same time. Rubber tips for use on pavement reduce the impact of the hard surface. Stop by the Discovery Center during regular hours of operation and check out a pair of Nordic Walking Poles at no cost. Photo ID required. Adult sizes only.

BOOK AND MOVIE SWAP

Bring gently used books and DVD movies to the Discovery Center and swap them for something new. Books must be in good, readable condition, with the cover intact. Movies must be fully operable and in their original case. An even exchange: books for books and DVDs for DVDs. No VHS tapes accepted.

SCAVENGER HUNT

Pick up the Scavenger Hunt Guide (available April 1) at the Discovery Center and then head out into the wild for a scavenger hunt! Prizes will be given to those who find items listed in the guide. (Prizes age 12 and under appropriate).

DISCOVERY BACKPACKS

Stop at the Discovery Center and check out one of our Discovery Backpacks - at no cost. Inside the pack you will find everything needed for a fun exploration into the Oakdale Nature Preserve. Locate animal tracks and identify trees. Use binoculars to catch a glimpse of the deer, fox, raccoons and some of the 162 birds that call the Oakdale Nature Preserve home. You'll be surprised at all that this beautiful, 200 acre park has for you to discover.

TANDEM BIKES

(Available early April, weather permitting)
Two tandem bikes are available for use at the Discovery Center so bring a date, a significant other, family member, or friend during regular hours of operation and check one out. Simply present your driver's license and you'll be on your way!

DISCOVERY CENTER BEE HIVE

The resident bee hive will return in May. Check out the live bee hive through August to see how real bees get their work done. This real, live bee hive is courtesy of local beekeepers, Karen and Duane Vay. You can view the bee hive safely indoors during open hours of the Discovery Center.

BINOCULARS

Binoculars are now available for check out at no cost during regular hours of operation. Simply present your driver's license and head out in search of birds.

SNOWSHOE RENTAL

Bring your family and friends to enjoy snowshoeing within the 200 acres of the Oakdale Nature Preserve. Watch for animal tracks, deer, fox, and birds. Sizes for both children and adults available. First come first served. Reservations recommended for groups of 6 or more by calling 651-747-3860.

Rates are \$5 per person for a 2 hour rental.

Rentals available daily, pending snow conditions, at these times:

Monday through Friday	9 AM to 4 PM
Saturdays	12 to 3:30 PM
Sundays	1 to 3:30 PM

WEDNESDAY ADULT CARDS

Spend a few hours at the Discovery Center for an afternoon of cards and conversation! No need to sign up, just come and play! All levels of players welcome. We will supply the cards and coffee, you pick the game!

Wednesdays, 1 to 3 PM

DISCOVERY CENTER ART GALLERY

The art gallery at the Discovery Center has a long tradition of showcasing the creations of dozens of local artists, featuring a different artist each month.

Interested in having your artwork featured? Contact Laura Linzmeyer at 651-747-3866 or laura@ci.oakdale.mn.us

CURIOUS CRITTERS CLUB

Ages 3 to 6 (children must be potty trained)

The Discovery Center offers a wide variety of fun and educational nature programs for children ages 3 - 6 on Fridays throughout the year. Children may participate in discussions, play games, watch DVDs, and create projects for each themed program. Critter Club kids like to go outside during each class so please dress for the weather! This includes coats, hats, mittens, and face coverings if needed.

Meet Alicia Gatto Petersen, our new Nature Program Instructor. She loves exploring local parks like the Oakdale Nature Preserve and learning about the plants and animals that call it home. She is a curious critter! Her favorite question is, "What is that?" She is a Minnesota Master Naturalist and has taught for many years. Please help us welcome Alicia!

February 4 | Brrr!!! It's Cold Outside!

February can be so cold! Let's stay warm inside the Discovery Center doing some fun kitchen pantry science experiments.

February 25 | It's Not Too Early to Think Spring!

Some plants and animals in the Oakdale Nature Preserve are already thinking spring! Together we will look for the early signs of spring.

March 4 | Little Stinkers

Pew! What's that smell? Skunks are starting to come out of hibernation. We will learn what they do and why they are so stinky.

March 18 | Gross Animals: Turkey Vultures

Turkey Vultures are funny looking birds, but they sure are good to have around! This week we will discover what makes them so gross and so cool.

April 1 | Where Does the Rain Go?

People like to say, "April showers bring May flowers" but how do April showers bring May flowers? This week, rain or shine, we will investigate why it rains and how rain helps the plants and animals at the Oakdale Nature Preserve.

April 22 | If You Are Happy and You Know it Sing a Song!

Yay! It's spring! Sometimes we sing when we are happy so maybe the birds do too! This week we will listen to the birds and discover why they sing their happy tunes.

May 6 | First Blooms

Some plants and flowers are so brave they leaf out and bloom before other plants. Together let's look for these courageous plants and find out what makes them so bold.

May 20 | What's Making All that Noise?

Spring is so noisy! Who and what is making all that ribbitty-racket by the park's lake and ponds? Let's find out!

ICE SKATING RINKS

Outdoor skating rinks offer general skating and hockey facilities. Weather permitting, rinks are scheduled to close in late February. The following guidelines will be used to determine outdoor rink closures:

- When the temperatures soften the ice enough for unsafe skating conditions. Estimated temperatures of 37 degrees or higher may cause rink closures.
- When actual temperature reaches -10 degrees or wind chill temperature reaches -25 degrees.
- If more than 3 inches of snow accumulate on the ice when maintenance crews are not available.

Check Oakdale Recreation's Facebook page or go to www.oakdalefun.com for facility updates, including warming house openings and rink conditions.

Maintained, supervised rink locations with heated warming houses:

- Eastside Park 1744 Helmo Avenue
- Northdale Park 5099 Granada Avenue
- Walton Park Hockey 1584 Hadley Avenue
- Walton Park Pleasure 1584 Hadley Avenue

OAKDALE NATURE PRESERVE COMMUNITY WALK

Earn rewards for walking! Beginning April 1, 2022 the community walk will kick off at the Oakdale Discovery Center & Nature Preserve (4444 Hadley Avenue). Residents of Oakdale will have the opportunity to explore and walk the 200 acre nature preserve and record their miles. Stop by the Discovery Center after every walk and Oakdale Recreation will record and track all your miles throughout the season, running through October 31, 2022.

Oakdale Residents Only

ID will be required for proof of residency. Before your first walk, stop in the Discovery Center to register. We'll record your name, address, and inform you of the reward system. Can your children walk their own miles? Sign them up too! Walkers write down their miles each day they visit, and turn in their mileage using either the indoor or outdoor drop boxes at the Discovery Center.

Pedometers are available by request, at no charge.

Walk as much as possible, with the ultimate goal of reaching 150 miles total to earn a \$25 gift card from Target, Hy-Vee, or Kwik Trip.

SNOWMOBILE REGULATIONS

Things to remember when operating a snowmobile within the city limits:

You may not operate a snowmobile in any public park, on any public sidewalk, bikeway/pedway, or on school grounds. Snowmobiles are not allowed on public boulevards.

You may only operate a snowmobile during the hours of 9 am and 10 pm Sunday – Thursday, and 9 am and 1 am Friday, Sunday, and any evening preceding a holiday.

Copies of the city's ordinance and state statutes regulating snowmobiles, and trail maps are available at the Discovery Center, City Hall or on the city's web site at www.ci.oakdale.mn.us or by calling 651-747-3860.

MIDNIGHT MASQUERADE MURDER MYSTERY LUNCHEON

Thursday,
February 24

10:45 AM to approximately 2:30 PM

Tour departs from/returns to Gladstone
1945 Manton Street
Maplewood, MN 55109

Masks required on bus.

\$78, includes school bus transportation,
inclusive luncheon, murder mystery, and
tour of the Historic the Afton House.

Arrive at the Historic Afton House in Afton, MN for an exhilarating, crime solving, adventurous afternoon. Begin with a delicious luncheon of Chicken Chardonnay which is Parmesan breaded chicken served with garlic mashed potatoes, red grapes tossed with a creamy chardonnay sauce, fresh vegetables, rolls & butter, coffee or tea, and dessert. Midnight at the Masquerade is an interactive murder mystery production in which you are one of the masked ball guests. Sift through the evidence while trying to divert others from suspecting you. Trade clues with other guests as you try to unmask the killer at the Billionaires Club Annual Masquerade Ball. Following lunch and the criminal investigation, tour the Historic Afton House before departure.

Cancellation Policy: A \$5 processing fee will be deducted when cancelling on or before February 8. No refunds after this date.

OAKDALE BARK PARK

Run off some of your pup's energy and meet some new friends at the City's off-leash dog park. The fenced park has a transition corridor, separate small dog area, pet waste dispenser, paved parking, benches, and running water (summer only). The park opens one half hour before sunrise and closes one half hour after sunset year round. No fee or permit is needed to visit the park.

4957 Helena Rd N

Park Rules

- Do not bring dogs that are unvaccinated, in heat, or designated as a dangerous dog.
- Properly leash dog prior to entering and leaving the off-leash area, and in transition corridors. Carry a visible leash. Keep off-leash dogs within fenced area.
- Handler must be at least 16 years of age, not handling more than two dogs, in verbal control of dogs at all times, dispose of waste, and prevent aggressive behavior (biting, fighting, or excessive barking). Handler will be held liable for damage or injury inflicted by their dogs.

Mutt Mitts

Mutt Mitt dispensers are provided in Oakdale parks to easily collect and dispose of dog waste. Left on the ground, dog waste is not only unsightly, but it pollutes the water and poses health risks. Thank you for cleaning up after your pet!

Leashes Required

For the enjoyment of all who walk, ride, or live in our parks, owners are reminded to hold onto their leashed dog at all times when visiting parks, especially at the Oakdale Nature Preserve, as per city code.

FOREST THERAPY WALKS

What is Forest Therapy? Forest Therapy, or "forest bathing," is a research-based framework for supporting healing and wellness through immersion in forests and other natural environments. Studies have demonstrated a wide array of health benefits, especially in the cardiovascular and immune systems, and for stabilizing and improving mood and cognition. Forest therapy walks are slow-paced and are leisurely guided through nature by certified forest therapy guides.

CANCELLATIONS

Oakdale Recreation reserves the right to cancel, postpone or combine programs, and/or change instructors. Classes may be canceled due to insufficient enrollment or COVID-19 restrictions, in which case payment will be refunded or credited to your account. Participants will be notified of program cancellations prior to the start of the program.

PROGRAM CONFIRMATIONS

You will be contacted only if a program is full, canceled, or if a program change is necessary.

REFUNDS

Registration fees for programs canceled by Oakdale Recreation will be fully refunded. Other than Adult Trips, participants may cancel a registration three business days before the start of the program and receive a refund, less a \$5 administration fee. Once a refund has been requested, a check will be mailed within 45 days. If the registration payment was charged, a credit to the credit card will be processed. No refunds can be issued once a program has started or if tickets were purchased for a trip or event.

REGISTRATION DEADLINES

Registration deadlines are established for programs to ensure appropriate staffing, supplies, and facility needs. Please refer to program descriptions for each program's registration deadline.
