# RESIDENT RESOURCE: Important Stuff to Know

**BACKYARD FIRES.** Please remember to burn only clean, dry wood. Fires producing smoke that cause discomfort or a negative impact to neighboring properties must be immediately extinguished if a complaint is lodged. (Washington County residents are reminded to call 911 for any matters relating to police or fire). What *not* to burn: green or rotten wood, leaves/needles, paper, refuse, grass, treated lumber, plastic, or combustible material.

Additional backyard fire rules: flames not to exceed 3' wide or 2' high, must be contained in a fire ring made of noncombustible material, at least 25' away from any structure, and with a water source in close proximity; and fires must be attended until completely extinguished.

**BUDGET AND TAXES.** Learn about the city's 2018 budget and how a share of your property taxes fund a wide variety of services and programs in Oakdale. Attend the Truth in Taxation meeting on December 12, 6 pm, at Oakdale City Hall. Questions? Please call 651-730-2714.

**CHRISTMAS TREE DISPOSAL.** From December 27 through January 31, Oakdale residents may recycle naturally-grown trees at the Public Works Building, 1900 Hadley Avenue for only \$3 per tree. Hours: 7:30 am to 3 pm, Monday through Friday. Garland or wreaths cannot be accepted at this time.

**COLLECTED AT CITY HALL YEAR ROUND: CELL PHONES, CHRISTMAS LIGHTS, FLAGS, EYEGLASSES, AND HEARING AIDS**

**DOGS.** Dear Dog Owners, please remember to:

- Pick up all dog droppings.
- Keep dogs on a leash or other physical restraint when out and about.
- Keep dogs from entering private property that is not your own. Not everyone is a pet lover -- including some other pets!
- Have your dog's city-issued license attached to their collar.

**HEATING BILL HELP.** Need assistance with your heating bills? Check out the programs offered at [www.capr.org/community-action-services/energy-assistance](http://www.capr.org/community-action-services/energy-assistance).

**PROPERTY COMPLAINTS.** Have a concern with a neighboring property? Call 651-702-5225. Please note that you need to live within 200' of the subject property -- or be able to see it from your property.

**RECREATIONAL VEHICLES.** Time to put away boats, campers, trailers, and RVs and dust off the snowmobiles. Throughout the year, each property is allowed to keep one recreational vehicle outside; whether it's in the side or rear yard (at least 5' from property line) or on the driveway (snowmobiles from November 1 to April 30; other vehicles from May 1 to November 1). Having more recreational vehicles is fine provided only one is outside and the rest are hibernating inside the garage or at off-site storage. Questions? Please call 651-702-5225.

**SCAMS AND HOW TO AVOID THEM.** The Oakdale Police Department has compiled information into a brochure aimed at helping seniors and their families avoid common scams. Request your copy of "Don't Get Hooked" by calling 651-739-5086.

**WILDLIFE AND WATER FOWL.** Please remember that the feeding of wildlife and water fowl is not allowed.

## Winter Reminders:

- **WINTER PARKING.** From November 1 through April 1, city streets need to be free of parked vehicles from 12 to 5 am. Also anytime snow accumulation equals or exceeds 2", day or night, until streets are cleared curb to curb. A good rule of thumb is to keep vehicles off the road any time there is "measurable snowfall". Thank you!
- **FIRE HYDRANT - IF IT'S NEAR, PLEASE KEEP IT CLEAR!** Please consider adopting one of the 1,500 hydrants in the city by keeping it cleared of snow so it's easy for fire personnel to locate, and to maintain a path from the street to the hydrant so it's easy for fire personnel to access.
- **KEEPING STREETS CLEAR.** Please don't risk a fine by plowing, shoveling, pushing, or blowing snow into the street.
- **MAILBOX OR SOD DAMAGE.** Properly installed mailboxes (see city's web site or call 651-730-2740) accidentally toppled by the blade of a snowplow will be replaced by city crews as soon as time allows. Please report damage at [www.ci.oakdale.mn.us](http://www.ci.oakdale.mn.us) or 651-730-2740.
- **TRASH CONTAINERS.** On trash collection day, place rubbish and recycling containers on your driveway apron, behind the curb, just prior to 7 am.
- **PROTECT PIPES.** Prolonged low temperatures and the increased depth of frost in the ground increase the likelihood of water pipes freezing. Frozen pipes are at risk of expanding and rupturing. By monitoring your water service, you may be able to determine if it is beginning to experience difficulties. One sign is seeing discolored water when you turn on the faucet. Another is a water temperature below 40 degrees. (To determine water temperature, hold an instant read or kitchen thermometer under running water or immediately insert the thermometer into a water filled glass). One way to lessen the chance of frozen pipes is to run a faucet at a slow trickle to keep water flowing through the pipes. If you have questions, or if you utilize the services of a pipe thawing company, please call the city at 651-730-2740 or 651-730-2710.

## FREE YOURSELF FROM FREE NEWSPAPERS

One of the most common questions the city receives is "how do I stop delivery of the free newspapers and advertisements that come to my home?"

The distribution of newspapers and related advertising material is an activity that is protected under the First Amendment. The City therefore has very limited control over this activity. Here is the contact information for the respective newspapers so that residents can request that the delivery of free newspapers and advertisements not be made to their homes

## ACORN AWARD RECIPIENTS: 2017

Every year, since 1994, Oakdale's Acorn Award program has recognized beautifully landscaped properties in the community. From nominations accepted throughout the year, winning properties are selected in three categories: Commercial, Public, and Residential. Winning property owners receive a visit from the City Council, a certificate of recognition, and a gift card from an area nursery. So when properties in the city catch your eye because they have great curb appeal, please consider making an Acorn Award nomination. Nomination form at [www.ci.oakdale.mn.us](http://www.ci.oakdale.mn.us)  
*Congratulations to this year's winners!*

## TRAIN WHISTLES AT OAKDALE CROSSINGS SILENCED

As reported in the summer issue of the *Oakdale Update*, in early 2016, the Oakdale City Council initiated a "Quiet Zone" study to learn more about what would be needed to greatly reduce or eliminate the sound of train whistles in the community. To accomplish this, the city would be required to increase safety measures at each of the four crossings: TH 120, Granada Avenue, Hadley Avenue, and Inwood.

In March, 2017, the City Council approved plans for improved train crossings at the four locations. The proposed safety measures were reviewed by the Federal Railroad Association and approved.

The installation of center medians to create quiet zones will begin September 5 for the Granada Avenue and Ideal Avenue crossings; work on the Highway 120 and Hadley Avenue crossings is expected to begin September 11. The Hadley Avenue crossing work will not involve a detour; however, traffic will need to be detoured for the Geneva Avenue, Ideal Avenue, and Granada Avenue locations. The work is scheduled to be completed within one week at each location.

The estimated cost of the project is \$120,000 with funding provided by the city's share of the state gas tax.

## SCHOLARSHIPS

The Recreation Department offers scholarships for Oakdale residents who might need financial assistance to participate in the city's youth programs. Funds are limited and available on a first-come, first-served basis. For more information or to request an application, please call 651-747-3860.

## ADOPT A PARK

Oakdale's "Adopt-A-Park" program is designed to help keep our parks in tip top shape. Caring for a park is a great activity for individuals, families, organizations, churches, service clubs, youth groups, schools, and businesses.

The process is easy! Select a park, contact the Parks Department at (651) 730-2740 to verify the park is available, then request, complete, and submit an application to finalize the process.

## CONNECTING THE GENERATIONS

*Are you a senior who needs a job done around the house?  
Are you a teen who wants to help others in the community?*

Seniors, we'll match you up with a teen (13 to 18 years old) who you can contact to do your project, such as yard work, shoveling snow, etc.

Teens, we'll match you up with a senior who would like help with jobs around the house such as yard work, shoveling snow, etc. *Great opportunity to gain work experience, job references, and/or completion of service hours!*

*Please call 651-747-3860 for more information or to sign up!*

## MUTT MITTS and DOG LEASHES IN PARKS

For your convenience, city parks offer Mutt Mitts to easily collect and dispose of your dog's waste when you're on your walk.

For the enjoyment of all who walk, ride, or live in our parks, owners are reminded of the requirement to hold onto your leashed dog at all times in parks, especially when visiting the Oakdale Nature Preserve.

*Take your pup to the new off-leash Oakdale Bark Park, on 50th Street!*

## WINTER WALKING IN THE OAKDALE NATURE PRESERVE

During the winter season, the asphalt/paved trails throughout the Oakdale Nature Preserve are cleared after each snowfall event to accommodate winter walking. However, snow that accumulates on the boardwalk will not be cleared.

## HIRING:

**Ice Rink Attendants.** \$11/hour.  
Season runs mid-December through February (weather permitting). Job descriptions and applications at 4444 Hadley Avenue or [www.ci.oakdale.mn.us](http://www.ci.oakdale.mn.us). Apply by November 9.

**Class Instructors.** The Recreation Department is always looking for enthusiastic leaders and ideas for learners of all ages, stages, abilities and interests. Do you have a special skill, interest, knowledge, or hobby you'd like to share with others? *Professional certification is not required; passion and enthusiasm are a must!* Proposals are accepted throughout the year. Please contact Julie Williams at 651-747-3867 for complete details.

## BOOK & DVD EXCHANGE

Bring gently used books and DVD movies to the Discovery Center and swap them for something "new." Books must be in good, readable condition, with the cover intact. Movies must be fully operable and in their original case. Even exchange: books for books and DVDs for DVDs. (No VHS tapes, please).

## DISCOVERY BACKPACKS

Stop at the Discovery Center and check out one of our "Discovery Backpacks." Inside the packs you will find everything needed to explore the Oakdale Nature Preserve. Seek out animal tracks, identify different types of trees and flowers, go on a scavenger hunt, use binoculars to bird watch or catch a glimpse of the deer, fox and owls that call the nature preserve home. Catch interesting critters using the insect net. Packs are even equipped with GPS units!

## EDER ONE-ROOM SCHOOLHOUSE

Eder School was built in 1888; it closed in 1920 and became a storage shed until it was moved to the Oakdale Nature Preserve in 2004 and restored by the Oakdale-Lake Elmo Historical Society. It is now operated by the Washington County Historical Society. Please visit [www.wchsmn.org](http://www.wchsmn.org) for contact and tour information.

## GEOCACHING

Do you like exploring the outdoors? Try the fun and exciting hobby of geocaching! Geocaching is a high tech treasure hunt using a GPS unit to locate hidden caches (*psst - there are 15 caches in Oakdale's park system*). The Discovery Center has a list of caches and coordinates as well as hand-held GPS units available for check-out.

## NORDIC WALKING

Using Nordic Walking poles can turn your ordinary walk into a total body exercise that delivers far more motivating results *and* makes walking more fun!

Poles, resembling ski poles, are used to involve the upper extremities when you walk, toning and firming every major muscle at the same time. Poles offer rubber tips for use on pavement while reducing the impact of the hard surface. Stop by the Discovery Center during regular business hours to check out a pair of our Nordic Walking Poles *at no cost!* Simply present a photo ID and then walk away! Available in adult sizes only.

## SCAVENGER HUNT

Head out on the trails in the Oakdale Nature Preserve for a scavenger hunt *and* the chance to win a brand new selection of prizes! Stop at the front desk at the Discovery Center before October 31 and ask for your free scavenger hunt guide. Prizes are age 12 and under appropriate.

## DISCOVERY CENTER ART GALLERY

The art gallery at the Discovery Center has a long tradition of showcasing the creations of dozens of local artists and artisans, featuring a different artist each month. The gallery is open Mondays, Tuesdays, Wednesdays, and Fridays: 8 am to 4:30 pm; Thursdays: 8 am to 8 pm; Saturdays: 12 to 4 pm; and Sundays: 1 to 4 pm.

Time: 10 am to 5 pm  
Place: Discovery Center, 4444 Hadley Avenue  
Cost: *Free to browse!*

## **ROAD TRIP On the Road Again Wednesday, October 25**

A local guide, who is happy to call Little Falls home, joins us for the journey. Her commentary will make the drive from Pierz to Little Falls, and onto Camp Ripley especially enjoyable, as she shares interesting historical facts and stories along the way.

Learn all about sunflower oil during a visit to Smude Sunflower Oil Company where you'll get an introduction into its production and transportation process.

Not everything harvested in Minnesota is native to Minnesota. Now, there's ocean water in the Land of 10,000 Lakes. It's made from the city of Pierz tap water that has been filtered and has the Instant Ocean brand of sea salt added to it. We'll visit Four Season Shrimp Farm, where a group of local military veterans raise shrimp.

Still serving wonderful meals to their guests after 83 years, the AT Black and White Restaurant in Little Falls is our location for lunch. A very retro setting and Le Cordon Blu chefs make for a delicious lunch. *Please make your entrée choice when registering.*

- *Hot Turkey Sandwich, mashed potatoes, gravy*
- *Hot Beef Sandwich, mashed potatoes, gravy*
- *Lasagna with breadsticks*

Shopping, bakery, antiques, and the art center are steps away. You'll have a little time to browse before heading off to the next stop.

Camp Ripley is proud of its reputation of conserving and preserving its natural and cultural resources. It abounds with plant and animal life unique to central Minnesota, with an identified 565 types of plants, 202 bird species, 41 species of fish, 107 types of aquatic invertebrates, 65 species of butterflies, 51 mammal species, 23 reptiles and amphibians, and 8

mussel species. At the environmental room, we will be greeted by the post commander and you'll learn about the environmental program, the bear den program and see approximately 300 taxidermy animals native to the camp. A drive around the camp offers sights of the "Valhalla," a house where only military generals and political figures are allowed to stay. You'll also pass the military chapel with its amazing stained glass window, the military motor pools, and the military airfield.

Depart: 8:20 am Oakdale Band Shell parking lot  
Return: Approximately 6:30 pm  
Cost: \$73 per person. Includes guide, admissions, lunch, transportation, and tour director

A morning rest stop will be made enroute, passenger expense

Activity Level: Moderate, some standing and walking

*Deadline to register and cancellation penalty begins October 13*

## **ROAD TRIP "Coco's Diary" History Theater Thursday, November 30**

Christmas 1927, New Year's Day 1928, watch out for young Clotilde "Coco" Irvine. She is the daughter of a lumber baron, living in a fashionable Summit Avenue mansion. Coco was given a diary for Christmas in which she faithfully chronicles the ups and downs of her roller coaster year. She pens, "This is to be my most private account of everything that happens to me. No one must read further under pain of death! A curse shall befall any who disregard this warning. Everything is quite different in my life because of boys!"

Coco is the bright, adventurous, mischievous, and wickedly funny heroine, who is constantly in a fix, both at home and school -- as she puts it: "through no fault of my own!" It will be a morning filled

with charming, funny and delightful entertainment surrounded by Coco, and some of the greatest songs of the 1920s.

After the show, it's off to Joseph's Restaurant for a lunch buffet including turkey and ham, au gratin and garlic mashed potatoes, stuffing, vegetable, rolls, salad, coffee and water.

Depart: 9 am Oakdale Band Shell parking lot  
Return: Approximately 3 pm  
Cost: \$75 per person. Includes transportation, lunch, performance, and tour director

Activity Level: Easy

*Reservation deadline and cancellation penalty begins October 30*

## **ROAD TRIP SISTER Presents: "The More the Merrier" Grand Theater Thursday, December 14**

The Grand Theater, in Northfield, provides the perfect setting for SISTER presents: "The More the Merrier!" Step into the renovated opera house and find yourself in a magical world reminiscent of a time gone by, yet completely current with beautiful lights and amazing sound!

Enjoy, as "the girls" bring their energy and talents to the stage with their hallmark harmonies and unbelievable singing worthy of this regal opera house. The More the Merrier is a non-stop Christmas party, featuring music and entertainment. This show is reminiscent of Carol Burnett and Andy Williams! The soul stirring rendition of "O Holy Night," a hilarious visit from Gudren and "The Aunts," along with many surprises, will transport you into the spirit of Christmas in a way only SISTER can. Experience this event that is talked about as "unexplainable" and "a must see."

Lunch is at Ole Store Restaurant before the performance. *Please make your entrée choice when registering.*

- *Chicken Picatta: a lightly floured chicken breast sautéed with a lemon caper light cream sauce*

## ROAD TRIP Capital Tour and Conservatory Tuesday, January 23

As proud Minnesotans, we're off to Saint Paul for a guided tour of the Minnesota State Capitol building to see this magnificent 1905 masterpiece returned to its original grandeur.

During a 45-minute guided walking tour, you will:

Get a glimpse of the restorations and learn the history of the Capitol, art, architecture and state government. See its decorative and restored art, murals and paintings.

View the Quadriga (weather permitting), officially known as the Progress of the State. The four-horse chariot and figures are made of sheets of gilded copper hammered around a steel frame. It features four figures — the male figure driving the chariot represents the state, two female figures portray Minnesota agriculture and industry, and the four horses represent earth, fire, water and wind.

Stand in the Rotunda; a large, round area in the center of the building,

extending from the first floor to the inner dome.

See the ornately decorated Governor's reception room and get a view of the Supreme Court.

After the tour, lunch is at Augustine's Bar and Bakery. *Please make your entrée choice when registering.*

- *Soup of the day, Cobb Salad of mixed greens, turkey, bacon, egg, tomato, avocado*
- *Grilled chicken, seasonal vegetables, mashed potato puree*
- *Augustine's Burger, served well done with white cheddar, cream, beer mustard, lettuce, tomato, pickles and French fries*

*All lunches include mini dessert served family style and beverages (soda, iced tea, or lemonade). Additional beverages from the bar or coffee are not included and will be passengers expense.*

Then, we'll escape the Minnesota winter at the 2018 Winter Flower Show at the Marjorie McNeely Conservatory at Como Park. Smiles will beam, as you feel the warmth inside, enjoying the bright display of beauty surrounding you, while you meander through the conservatory at your own pace. This year's show features a mixture of purple, red, and lots of blue. Highlighted plants include Cyclamen, Pansies, Viola, Cineraria, Amaryllis, Primula, Azaleas, Camellias, Primula and Veltheimia.

Depart: 10:15 am Oakdale Band Shell parking lot  
Return: Approximately 4:15 pm  
Cost: \$54 per person. Includes admissions, lunch, transportation and tour director

Activity Level: Moderate walking

*Reservation deadline and cancellation penalty begins January 8*

## APPRAISE YOUR COIN COLLECTION

*Presented by certified appraiser David Schlueter*

In two sessions, learn the basics of researching and appraising your US and foreign coins and currency. Examine and identify 100-year-old coins. Learn the ins and outs of where to buy and sell coins, coin authentication, and more. Participants will be asked to do internet research on their coins and share what they have learned to the class in the second session. The class is for beginners, but experienced coin buffs are welcome! Please bring a magnifying glass.

Dates: Thursdays: September 21 and 28 (2 Session Class)

Time: 6 to 8:30 pm

Place: Discovery Center  
4444 Hadley Avenue

Cost: \$20 per person for 2 sessions

*Registration deadline is one week prior to start of program.*

## October 6: Amazing Apples

Everyone loves apples! Learn all about apples, from pollination to picking and eating. Sample your favorite apple varieties and sip some cider too!

## October 20: Creepy Creatures

Earth is home to many different creatures. Some animals may frighten us, but not on purpose. They are just trying to survive. Join us as we learn to appreciate the unique features of creatures that might frighten us.

## November 3: Moose on the Loose!

Meet the world's largest deer, the mighty moose. With its huge headgear, bulky body, way too skinny legs and dangling beard, their body parts work amazingly well for a moose! Join us as we learn about this strange looking animal.

## November 17: Turkey Tales

There's a lot more to turkeys than Thanksgiving! We'll peek into the lives of these interesting birds. Learn to talk "turkey" and how to tell a Jake from a Jenny. We'll head outside for a walk to look for the nature preserve's resident turkeys!

## December 1: Celebrate the Season!

We'll gather the colors of the season as Little Bear meets different animal friends in the Snow Tree. To celebrate, we'll make ornaments and decorate our tree.

## December 8: Mountains of Fire

Find out why volcanoes go "ka-boom!" Learn about the different types of volcanoes of the world, how they form, and where they are found. We'll even watch a volcano "erupt."

## January 12: Cool Snoozers

Winter's here. Food is hard to find. The freeze is on. Some creatures find a hidden home and take a long winter rest called hibernation.

## January 26: Spot the Cats

Did you know that almost half of the world's wild cats are spotted? Spots can help a cat blend in with splotches of sun and shade making them harder to spot to help them when they sneak up on prey or to avoid trouble.

## DANCE CLASSES

Legacy Dance Studio is family owned and has been operating in Oakdale since 1998. Their curriculum stresses ballet technique as the base for all dancers. In addition to ballet, Legacy offers tap, jazz, lyrical, and hip hop; they offer a variety of classes for recreational students ages 2 to 18, ranging from beginner to advance. Each age class has a maximum number of students to allow an appropriate amount of one-on-one attention.

## BEST SNOW SCULPTURE OF OAKDALE CONTEST

Calling all creative Oakdale families! Do you have what it takes to create the best snow sculpture in the city? If so, head outside anytime after a snowfall and start creating your masterpiece! All sculptures are judged on appearance, relative to the season's theme.

**THIS YEAR'S THEME IS "SUMMER AT THE BEACH"**

*Winning sculpture will receive a \$100 Marcus Theater gift card!*

Submit entries (photo) to [nathan@ci.oakdale.mn.us](mailto:nathan@ci.oakdale.mn.us) by March 30. The winner will be contacted by April 2 by Oakdale Recreation Department staff.

**"Paul Bunyan"**  
Winner of the 2016  
"Minnesota: Land of 10,000  
Lakes" sculpture contest.

Outdoor skating rinks are located throughout the city and offer general skating and hockey facilities. Weather permitting, rinks are scheduled to open in late December and close for the season in late February.

The following guidelines will be used to determine outdoor rink closures: when temperatures soften the ice to create unsafe skating conditions (estimated temps of 37 degrees or higher may cause rink closure), when actual temperature reaches -10 degrees or wind chill temperature reaches -25 degrees, or if more than 3 inches of snow accumulates on the ice at times when maintenance crews are not available.

For rink updates, please check the Recreation Department's Facebook page or go to [www.oakdalefun.com](http://www.oakdalefun.com)

*Personal Water Safety:* emphasis on self-rescue, survival float, survival swimming.

*Fitness Swimmer:* emphasis on learning to increase and evaluate personal fitness.

### Classes for Girls & Women

(6 years and older)

Learn to swim in an all female class. You can choose to participate in our 1 hour group lessons or schedule a 30 minute private or semi-private lesson. No previous swim experience necessary. Our American Red Cross trained female instructors and lifeguards teach swimming and water safety skills so that you and your family will feel safe and comfortable around the water.

Group lessons are led by 2-3 instructors who will customize lessons for each group. Private and semi-private lessons will be customized for each individual or pair.

NEW!

### Private & Semi-Private Swim Lessons for Children & Adults

Instructor will customize each 30 minute lesson. Register online for private lessons. Call for additional times or to register 2 or more for semi-private lessons.

The ABC classes are taught by Susan Weum. Her personal training practice, Forever Fit MN ([www.ForeverFitMN.com](http://www.ForeverFitMN.com)), focuses on helping adults to enjoy a vital, active life and retain their functional independence. Contact her at 651-402-3191 with questions.

## FREE EVENT: MENTAL HEALTH: STOP THE SILENCE

Let’s Make it OK to talk about mental illnesses— If we don’t talk about it, we can’t break down the stigma. One in five people in the US will experience mental illness in their

lifetime—anxiety disorders, ADD/ADHD, bipolar disorder, depression, eating disorders, obsessive-compulsive disorder (OCD), postpartum depression, post-traumatic stress disorder (PTSD), and schizophrenia. Shame and misunderstanding associated with mental illnesses keep many from getting help, or even talking about it with friends and family. On average, people wait 10 years or more before getting treatment due to the stigma; 60% of people with mental illness don’t receive any treatment.

Mental illnesses ARE treatable health conditions! They can affect ANYONE, regardless of age, race, religion, or income. But people are still afraid to talk about them due to shame, misunderstanding, negative attitudes, and fear of discrimination. It’s time to spread the word and stop the silence around mental illness. Make it OK is a campaign to reduce the stigma of mental illnesses and to encourage people to talk more openly about depression, suicide, and other mental health conditions.

This session will provide ways to start conversations with family, friends, co-workers, or a stranger who may be showing signs of stress or mental health issues, present tips for continuing conversations, words/statements to avoid when talking about mental health, myths and facts, local resources and an opportunity to sign a Make It Ok pledge (to stop the silence around mental illness and to share the message with others).

Presenter: Make It Ok Ambassador

Date: Saturday, November 18  
Time: 10:30 am to 12 pm  
Place: Discovery Center  
4444 Hadley Avenue

## HATHA FLOW YOGA

Hatha Flow is a blend of various styles of yoga. Flow from posture to posture, rhythmically linking our breath with each posture, pausing at times to re-connect and center. Balance and stretch while standing, kneeling, sitting, and lying. Beginners are welcome as are those who have practiced yoga before. All students are encouraged to move at their own comfortable pace. Please wear comfortable clothing and bring a yoga mat. *Instructor: Joanne Romain is a registered teacher with the Yoga Alliance and has been practicing yoga for over 19 years.*

### OAKDALE FURTHER RECOGNIZED BY LEAGUE OF MINNESOTA CITIES

The City of Oakdale received recognition as a Step 4 GreenStep City at the League of Minnesota Cities annual meeting in June. Minnesota GreenStep Cities is a voluntary challenge, assistance, and recognition program that helps cities achieve their sustainability and quality-of-life goals. The program was launched in 2010, and Oakdale became involved early in 2011. Since then, the city completed Steps 1, 2 and 3 by implementing the 29 best practices the program suggests, and has now completed Step 4 which measures and reports on the quantitative results of undertaking those best practices.

The suggested best practices fall into five categories: Buildings and Lighting, Transportation, Environmental Management, Land Use, and Economic and Community Development. Among the best practices that Oakdale implemented are: improving the efficiency of an existing public building (installing the water-source, closed loop geothermal heat pump system at the Public Works building), providing incentives for the development of new green buildings through the Generation Green program, using LED lighting for streets and park projects, and replacing existing traffic signals with LED technologies. To read about all the actions the city has implemented so far, go to [greenstep.pca.state.mn.us](http://greenstep.pca.state.mn.us) and click on "show all 115 cities," then click on Oakdale.

Seven state agencies and other organizations (such as the Minnesota Pollution Control Agency, the Minnesota Department of Commerce, the Urban Land Institute, and others) manage the GreenStep Cities program and contribute their knowledge and expertise to participating cities.

Oakdale's recycling programs and other Environmental Management Commission activities are funded, in part, by grants from Washington County.

### CITY STAFFER RECOGNIZED BY COUNTY PUBLIC HEALTH

Cathy Hannigan, customer service representative at Oakdale City Hall, received the first-of-its-kind recognition last spring from the Washington County Public Health Department. The County developed Achievement Awards this year to recognize and honor residents who devote their time, energy, and talents to improve the public health of individuals, families, communities, and environments in Washington County.

Cathy was awarded the inaugural Individual Achievement Award for her volunteer work teaching environmental education to 2nd graders. She started 15 years ago with classes in Oakdale, Skyview, Castle, and Eagle Point Elementary schools but, for the past 12 years, has focused on three second grade classes at Eagle Point. She has impacted the lives of well over 1,000 students.

"Second graders are in that 'sweet spot,'" Cathy said, "where they know a little about recycling but are eager to learn more and are willing to take the information home to their families." She covers four topics: waste, reuse, reduce, and recycling.

Award recipient Cathy Hannigan, with her supervisor, Community Development Director Bob Streetar, at right, and David Brummel, Deputy Director for Washington County's Public Health and Environment.

### GO GREEN: REDUCE WASTE DURING HOLIDAYS AND PARTIES

The US Environmental Protection Agency offers the following tips for having a “greener” holiday season:

-- Consider making new holiday cards from scrap paper or by attaching new backs to the fronts of old cards. This can be a craft project for family and friends that helps everyone reduce paper waste while saving money.

--Lower your holiday lighting costs by using light-emitting diode (LED) light strings.

--Let store clerks know you don't need a bag for small or oversized purchases.

-- Recycle your holiday tree at Oakdale Public works instead of sending it to a landfill. Mulch from your trees is typically used in community parks, as well as for erosion prevention, weed abatement and habitat creation.

--Buy energy-efficient electronics that have the Energy Star label. They will save you money and help protect the planet.

-- Many electronics use energy even when they're “off” to power continuous features like clock displays or remote controls. Replace old items with energy-efficient models.

-- Preparing for and cleaning up after a holiday meals and parties can use much more water than ordinary, everyday use. Running your tap continuously while preparing food or washing dishes wastes water and can use more than two gallons of water every minute your tap is running. Scrape dirty dishes instead of using water to rinse them before you put them in the dishwasher.

### ENERGY SAVING TIPS FOR WINTER

Try implementing one or more of these tips from the U.S. Department of Energy and see how much you can cut down on your energy usage, and, in turn, save on energy costs this winter.

#### SUNSHINE

Open the curtains and blinds on windows facing west and east during the day to allow as much sunshine into your home as possible. This will naturally raise the temperature inside your home by a degree or two, which can lead to significant savings on your heating bill. Draw the curtains closed at night to insulate your home from the winter night chill.

#### INSULATION

If floors, ceilings, and walls feel cold to the touch, it may be time to add extra insulation. And, since your home's hot water heater must work against the cold to keep water warm in winter months, it helps to wrap it in fiberglass insulation. That will cost about \$30, but can save about 10 percent on your energy bill.

#### SEAL LEAKS

Check your doors and windows for a tight seal. If you can feel coolness or air near any window, it is likely that you have a leak in that area. Seal the leak with weather stripping to prevent warm air from escaping. Air leaks can also occur in other places, such as plumbing lines, electrical outlets, and near room vents. Seal any additional unnecessary leaks with caulking, insulation, or weather stripping.

#### TURN THERMOSTAT DOWN

Turning down your thermostat a few degrees during the day and night can make a significant difference in the amount of money you spend on your energy bills.

### NEED ASSISTANCE WITH YOUR ENERGY BILL?

# Gateway Corridor Gold Line Bus Rapid Transit (BRT)

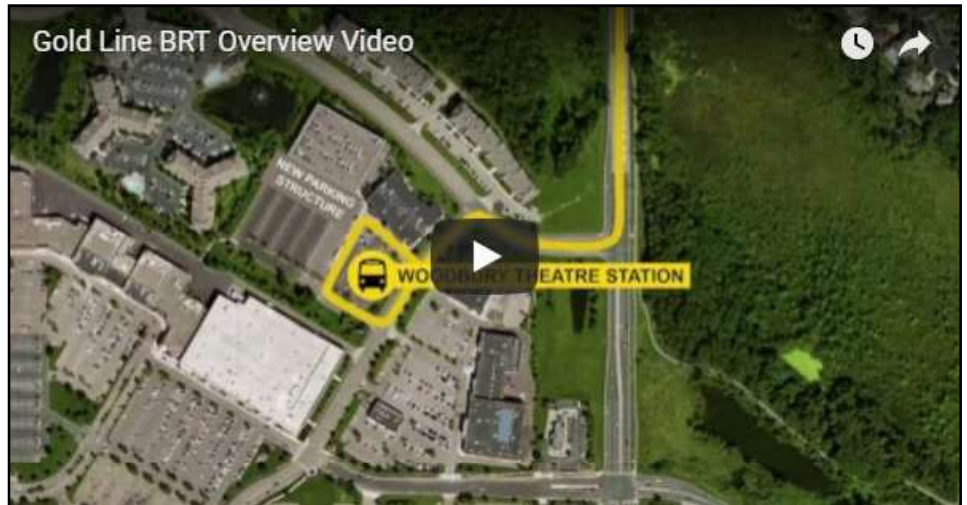

## Project Overview

The Gateway Corridor Gold Line is a planned nine-mile dedicated Bus Rapid Transit (BRT) line that will connect St. Paul, Maplewood, Landfall, Oakdale and Woodbury generally along Interstate 94. The Gold Line will be Minnesota's first BRT line that operates primarily within exclusive bus-only lanes. These exclusive lanes are dedicated only to transit buses and will be built on the north side of Interstate 94.

Gold Line service will offer new opportunities for residents, employees and business owners by strengthening connections to the eastern suburbs with 11 new stations. The Gold Line will provide frequent, all-day service in both directions, seven days a week and connect St. Paul and the eastern suburbs with the growing regional transit system.

## Stations

The METRO Gold Line will have 10 new stations including two stations located in Oakdale.

Learn more about the Gold Line BRT in the Overview Video located on the City's website at <http://ci.oakdale.mn.us/459/Gateway-Corridor-Gold-Line-BRT>. Video courtesy of Metro Transit.

Stations may contain a variety of amenities, including: a platform with shelter, bike parking, real-time bus schedule information (NexTrip displays), on-demand heat, ticket machines, fare card validators, trash and recycling bins, seating, emergency telephones, security cameras, a station marker, on-demand annunciators and energy-efficient LED lighting. All stations will be ADA accessible and include higher curbs for easier boarding.

Customers will be able to transfer to and from the METRO Gold Line in downtown St. Paul for connections to the Minneapolis-St. Paul International Airport, Mall of America, Target Field and the University of Minnesota. The METRO Gold Line route map shows the approximate locations of the proposed stations.

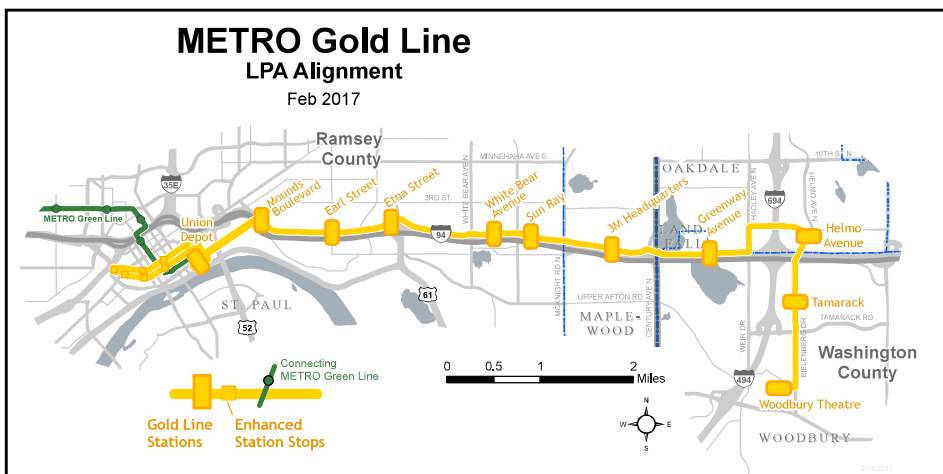

## Development Surrounding Oakdale Stations

The City Council will be working with the Gateway Corridor to plan development surrounding the stations located in Oakdale. Opportunities for public input will be announced on the City's website.
